

This is the confidence we have in approaching God: that if we ask anything according to His will, He hears us.

**1 John 5:14**

We believe that God is working in this community and that we, the people known as Greater Works Center (GWC), have a unique opportunity to partner with God as He transforms lives. We encourage you to submit your hearts and minds to God and to listen to the Holy Spirit as He seeks to transform and lead us all.

Would you prayerfully consider how God may be leading you or your family to contribute financially to our Far Greater campaign, above and beyond your regular giving? Please join us in 21 days of prayer as we seek God's direction and trust Him to move through our collective obedience.
